MIDWESTERN CHAPTER [WWW.IAEE.COM](http://WWW.IAEE.COM)

## We're changing it up again...Are you ready to Par Tee?

The IAEE Midwestern Chapter takes the 32<sup>nd</sup> **Annual Golf Outing** back to Seven Bridges Golf Club in beautiful Woodridge, IL for a day of celebrating with show organizers and industry colleagues. We will be telling tall tales, eating, drinking, laughing and making long putts. This is the perfect occasion to visit with old friends and make new ones – don't miss it!

IAEE Midwestern Chapter enjoys participation from notable international, national and regional associations, along with prominent independent show organizers and management companies. A rich and active group of planners with a varied portfolio of meetings, conventions and exhibitions dominate our membership.

A full menu of modestly priced **Sponsorships** are available to promote your company or destination. Bring a guest or find a partner - Event Organizers can pair up with another planner or be hosted by a partner organization to receive an additional discount. Choose your options wisely my friends, as engaging with the IAEE/MWC membership is a perfect compliment to the sales and marketing efforts of meeting and convention industry vendors and suppliers.

Mark your calendars and register early for **Wednesday, September 1, 2021.**
