

Ben Dunlap

Ben Dunlap, MYS Regional Vice President, has been a Map Your Show (Gardner Business Media) employee since 1996. After graduating from Xavier University with a Bachelor's Degree in Communications/Advertising, Ben started as a programmer initially developing the early versions of the MYS applications. This was followed by a role in account management, which ultimately led him to his current role on the MYS sales team. Ben manages several of MYS's larger strategic accounts and remains involved with clients well beyond the scope of signing contracts.
